Dear Sir:

As set forth in the Amendment and Response filed November 27, 2002, enclosed is the executed Declaration of Dr. Geoffrey A. Pietersz under 37 CFR 1.132 that was submitted without the signature with the November 27 Amendment and Response. The attachments to the Declaration were submitted with the Amendment and Response and are not duplicated herein.

Also, with regard to the Examiner's statement in the July 29 Office Action that certain references in Applicants' 1449 could not be located at the U.S. Patent Office, copies of the references have been requested from the Assignee of this application, but Applicants' agent does not expect to have them until January or February 2003. In the event that the Examiner locates the references in the meantime, please notify the below-named agent.

No fees are believed to be due in connection with this Supplemental Response, but if fees are due, please debit Deposit Account No. 19-1970.

Respectfully submitted,

SHERIDAN ROSS P.C.
